

Benita Loughlin

Benita is a Chartered Professional Accountant and was a tax partner at KPMG until she retired on September 20, 2022. She was instrumental in developing the Global Mobility Services tax practice at KPMG in Vancouver. In her 36 years with the firm, she focused on tax planning and compliance issues for estates, trusts and individuals in the US and cross-border contexts.

Benita has published, spoken and taught extensively on multiple aspects of cross-border personal tax, specializing in US estate planning, expatriation planning and investment in US real estate. Benita has a Bachelor of Commerce degree from UBC. She was an Officer of the Estate Planning Council of Vancouver from 2014 to 2020 (President in 2019) and was also a director on the KPMG Canada Board from 2014 to 2020 (Vice Chair in 2019 and 2020).

She was an elected Fellow of the Chartered Professional Accountants of BC in 2021. Fellowship formally recognizes those members who have rendered exceptional service to the profession, whose achievements in their careers and/or contributions to the community have earned them distinction and brought honour to the profession.
